# TEXAS SUNRISE

**BREAKFAST  LUNCH ALL DAY**

**OPEN DAILY 7AM-2PM**

# FREDERICKSBURG, TX

Fredericksburg was founded on May 8, 1846 by German immigrants under the Society for the Protection of German Immigrants in Texas.

In the 1850's, Fredericksburg had already become a popular layover city for those traveling further west. The modern tourism industry began in the early nineteen hundreds and is a thriving industry today. The Gillespie County Historical Society preserves and promotes the history of the town through its museum, community events, and community outreach. The Nimitz hotel is now the National Museum of the Pacific War and draws over 150,000 visitors annually. The town has many annual events, many of which reflect Fredericksburg's history, that draw locals, Texans, and visitors from around the world.

The Gillespie County Fair is held in Fredericksburg on the third weekend in August. The fairgrounds are also the site of racing meets in the summer and a hunter-jumper horse show in June. In October, the annual Oktoberfest and Food and Wine Festivals draw locals and visitors alike for fun and fellowship.

Be sure to stop by the Historical Society to learn more!
